They use their first-hand knowledge to create the best holiday for you, down to the finest detail and are on hand to answer any question no matter how big or small. And it shows! You can then choose to pay the remainder of your balance in multiple installments, with full payment due 12 weeks before you travel.

## TRUST & FINANCIAL SECURITY

Now more than ever, we know you want to be able to trust the people who are creating your holiday. And with Best at Travel, from the moment you first get in touch to the time you (reluctantly) return home, you can relax and have peace of mind knowing you're travelling with an ABTA and ATOL protected tour operator, guaranteeing complete financial protection.

# STOPOVERS & CITY BREAKS

## DUBAI CITY

5 nights from **£549**pp inc. flights

Think Dubai is just about sun and sand? It's time to think again! With futuristic architecture, cool places to eat and drink including sky high bars and restaurants and a burgeoning cultural scene, Downtown Dubai has a cosmopolitan city vibe – but it's still only 20 minutes by taxi to Jumeirah Beach if you really need an afternoon on the sands.

**WE RECOMMEND:** No trip would be complete without a visit to the world's tallest tower – standing at 830-metres, you'll hardly find better views than those from the top of the Burj Khalifa. But Downtown Dubai is also worldclass shopping malls, the upcoming Design District and the popular Dubai Opera. Our tip? Don't miss aqua-themed La Perle By Dragone, Dubai's first resident show.

**STOPOVER ON YOUR WAY TO:** The Maldives, Sri Lanka, Mauritius & Asia

## SINGAPORE

5 nights from **£829**pp inc. flights

With an airport that plays host to the world's tallest indoor waterfall, a butterfly house and free movie screenings, it's easy to see why many travellers never step outside the terminal doors on their stopover in Singapore. But they're missing out because there is so much more to this island city-state!

**WE RECOMMEND:** Where do we begin? For an off-the-beaten track tour, hop in a vintage vespa with Singapore Sidecars or explore the Marina Bay area on two wheels with a Let's Go Bike tour. Slow things down with a private tai chi lesson in the 150-year-old Botanic Gardens. And if you eat only one thing, make it the famed chilli crab at Makansutra at Gluttons by the Bay.

**STOPOVER ON YOUR WAY TO:** Bali, Malaysia, Vietnam, Japan, Australia

## MIAMI

5 nights from **£599**pp inc. flights

Just the right mix of city break and beach escape, Miami might just be the coolest destination in Florida. Once upon a time people came for sun-blazed days on South Beach followed by nights dancing in one of the mega clubs. Now the beaches are just the beginning thanks to a thriving scene of art, culture and global cuisine.

**WE RECOMMEND:** Heading to Wynwood. North of downtown, it's one of the city's hippest neighbourhoods with excellent restaurants, boutiques and an outdoor 'gallery' that might just be Miami's most Instagrammable spot.

**STOPOVER ON YOUR WAY TO:** The Bahamas, Barbados, Jamaica, Mexico

Holidays hardly get more glitzy than a trip to Los Angeles – except when paired with a few days (or more!) in Los Cabos.

A sprawling city that's the birthplace of American cinema, there's no denying LA has a gilded edge to it. Celebrity mansions dominate Beverley Hills and Rodeo Drive is filled with high-end shopping. But glitz and glamour aside visitors can enjoy a thriving music and gallery scene (note, many museums offer free entry), a city just made for outdoor activities – we recommend hiking to the top of Runyon Canyon park for awesome city views – and of course, world-famous theme parks and attractions.

From here you're just a two and half hour flight to celeb holiday hangout destination, Los Cabos. One of Mexico's premier beach destinations Cabo San Lucas has luxury hotels, fine dining and championship golf courses aplenty, while San José del Cabo is filled with cool galleries and stylish shopping. And we'd be remiss not to mention the incredible whale watching opportunities along the coastline.

From **£1,439**pp inc. flights

- Inc. Tours, Transfers & Accommodation

Over nine nights this exciting tour takes you from north to south Vietnam and is a fantastic option for first-time visitors.

A natural starting point, the capital city of Hanoi is all hustle and bustle with French colonial influences – take it all in on a full-day tour. Stunning Halong Bay, a UNESCO World Heritage Site, is just the right antidote to the buzz of Hanoi, where you can slow things down on an overnight cruise passing thousands of limestone formations.

On the central coast, Hoi An is famed for its charming Old Quarter where narrow streets are lined by colourful buildings in a mix of architectural styles. In the former capital Ho Chi Minh City descend (if you dare!) into the Cu Chi Tunnels, which once hid Vietcong guerrillas. A trip to the Mekong Delta marks the end of your time here, where you can see how locals go about their daily life.

### KENYA & COAST

From **£3,989**pp inc. flights  
9 nights Mixed Board

- Inc. Game Drives on Safari, Transfers & Accommodation

Be seduced by East Africa on this nine-night itinerary where you get to experience the contrast of Kenya's safari and beach.

The first three days immerses you in the open grasslands of the Maasai Mara with a classic safari experience at Little Governors' Camp. Luxury without the frills, en-suite tents are tucked around a large watering hole – the camp is unfenced for superb wildlife viewing. Game drives offer the chance to see the Big Five, and dining is al fresco including three course dinners by candlelight.

Following your safari, you'll be whisked to Kenya's coastline, set on the edge of the Indian Ocean. North of Mombasa on the pristine sands of Bamburi Beach is Sarova Whitesands Beach Resort & Spa – your home for the next six nights. Five pools and a watersports centre are set within landscaped grounds, rooms feature coastal-themed artwork and Cocos Beach Bar is the place to unwind while taking in ocean views.

### A GLIMPSE OF OMAN

From **£2,249**pp inc. flights  
7 nights Mixed Board

- Inc. Some Entrance Fees, Transfers & Accommodation

A week-long adventure that showcases the very best Oman has to offer – discover its rich history and culture and be wowed by the striking scenery.

This tailor-made tour begins and ends in the capital Muscat, where tradition and modernity sit side-by-side. You'll be taken on a guided tour of the city's sights to marvel at the impressive Sultan Qaboos Grand Mosque, get an introduction to Oman's history at the privately-owned Bait Al Zubair Museum and haggle for trinkets in Muttrah Souq.

During the rest of your trip you'll explore beyond the city, first driving zig-zagging roads to charming villages in the foothills of the Hajar Mountains. You'll then visit Nizwa with its ancient Fort and Round Tower – we recommend climbing to the top for incredible views – and the blue-green Wadi Al Madeen before returning to the capital.

### CALIFORNIA DISCOVERY

From **£1,859**pp inc. flights  
14 nights Room Only

- Inc. Mid Range Car Hire With Insurance & Accommodation

This two-week fly drive showcases everything that California has to offer: exciting cities, beachside towns and stunning scenery.

We'll start you off in San Francisco, home of the Golden Gate Bridge, Pier 39 where a colony of seals have made their home and the largest Bloomingdales outside of New York City. Over the next two weeks you'll head south, making stops at Napa Valley for wine tasting – there are 400 wineries in the area – and Yosemite National Park where a hike to Glacier Point should not be missed.

Back along the coast, soak up seaside charm at Carmel-by-the-Sea with its chocolate-box thatched cottages, top-notch restaurants and boutique wineries then explore Santa Barbara, known as the 'American Riviera'. Travel the last 100 miles along the Pacific Coast Highway to Los Angeles for celeb spotting. And if you want to add on an extra or two – a visit to Alcatraz or a tour of Universal Studios Hollywood – just ask our travel experts!

### SOUNDS OF THE SOUTH

From **£1,599**pp inc. flights  
9 nights Room Only

- Inc. Mid Range Car Hire With Insurance & Accommodation

Follow the curve of the Mississippi River as you eat, drink and immerse yourself in music history on this journey through America's Deep South.

Akin to a musical pilgrimage, this nine-night fly drive kicks off in the home of country music: Nashville, Tennessee. While the honky-tonks and live music venues are still going strong, the city is reinventing itself as a destination of gastronomy and creativity – but a visit to the Country Music Hall of Fame is still a must.

Memphis is where you'll find Graceland, the former home of Elvis Presley. Soak up the sounds of blues and rock 'n' roll on Beale Street and make a stop at the legendary Sun Studio. End your trip in sultry New Orleans, where the strains of jazz fill the air, even outside of Mardi Gras. Here, music, food and culture are an intoxicating blend of Europe, Africa and the Caribbean.
